Crossing to the **Purest Side** of New Zealand!

## SAUVIGNON BLANC

### BRAND STORY

---

Brilliant Marlborough sun and cool coastal breezes bring a refreshing vibrancy to every glass of The Crossings. Our vineyards overlook the coast where sailboats dot the water and the ocean spray refreshes your energy and puts wind in your sails. Like the sailboat on our label, The Crossings provides an enlivening experience in every glass.

### APPELLATION

---

Awatere Valley - Marlborough, New Zealand

### SOURCING

---

Sourced from Marlborough's premium sub-region, the Awatere Valley

### WINEMAKING

---

Grapes for The Crossings are harvested in ideal conditions, picked at the points of optimum flavor development. Parcel grapes from Marlborough's premium sub-region – the Awatere Valley – were picked and fermented separately, allowing us to enhance the varietal character using carefully selected yeast strains. A long, cool fermentation is followed by blending, stabilization and filtering prior to bottling.
